*Here at The Kean's Head we strive to bring you the best choice of quality drinks we can achieve; from our ever changing choice of Cask Ales, sourced from breweries nationwide, a variety of draught lagers and ciders, our choice of quality wines, an extensive range of whiskies and quality spirits, to our eclectic selection of bottled beers.*

*Ranging from the Trappist brewers of Belgium and Holland, where the Monks have perfected their brewing process over hundreds of years, to the relatively modern American craft brewers who bring their own transatlantic slant to traditional brewing recipes (and all the others in between), we hope to provide pleasure for everyone's palate. This includes Vegan friendly beer, marked with NV throughout this menu.*

*We encourage you to try something new and if you would like guidance on choosing the best beer you've yet to discover, then please ask one of our team.*

*Along with the many bottles you will find listed here we also have a variety of guest bottles that change all the time and you will find these listed on chalkboards behind the bar.*
